

Gamble Township Supervisors

April 13, 2021

The Gamble Township Supervisors met on the above date for their regular meeting at the Community Hall, Calvert, beginning at 7:30 PM, with 3 members present. Joe Reighard, Steve Brady, Dave Bailey, with the Pledge of Allegiance.

Steve made a motion, seconded by Dave, to accept the March minutes and the treasurer's report as presented. Motion carried.

The township auditors presented the audit of 2020 to the Board and Betty gave the report. The Board will review the audit and reply back at the next meeting. See attached.

The Secretary presented several items of correspondence, including a map of the detour to be used while Penn Dot replaces the bridge on Wallis Run Rd at Jacoby Hollow. Joe had contacted Penn Dot regarding this as previously they were going to put in a run-around. They stated that due to Covid, the paperwork had not been signed and then the traffic dept had questions. They suggested the township send a letter stating reasons for the run-around. 1. Emergency Services response time; 2. School bus route; 3. Cause undue wear and tear on twp roads due to local residents knowing of shortcuts rather than using the detour route. Secretary to send letter. Also in regard to election, there is a meeting scheduled with electrician to work on the building. And in regard to the American Rescue Plan, waiting on more information.
