Zoning: Nothing
Planning: Nothing
EMA: Nothing

Roadmaster: In the absence of Justin, Dave stated that the salt shed is a work in progress. Justin has obtained 2 loads of salt and several loads of anti skid. He is not having the roads checked each day, but the weather has been good. He has several people on payroll, able to help with road work.

On-Going: 1. Bridge Bundling – waiting for land owner approval, Joe was contacting him.
2. Fish/Boat Commission/ Lake – Joe was to talk with Rep. Joe Hamm about this.
3. Solicitor – new ordinance – has sent one but not sure if it is needed. Joe was to check with County about whether the township needs to do this on their own or covered by County.
4. Bailor property – they have sold the property and the new owner hopes to have paperwork ready for Board approval at the February meeting.

New: 1 and 2: Dave made a motion, seconded by Steve, to accept the resolution for County to collect real estate taxes and also the resolution to certify the millage rate for the township.

Public Comment: Donna asked about getting a subcontractor for snow removal, in case township equipment is down. Board not sure if this is possible as any company that could do so, would probably already have their own customers.

Payment of bills: Dave made a motion, seconded by Steve, to pay the bills.

Meeting adjourned at 7:35PM
