

## **Gamble Township Minutes March 16, 2022**

There were 3 members of the Trout Run Fire co present to answer questions regarding the Ambulance Alliance being put into place. Question was whether Gamble Twp would be covered, the three assured the Board and attendees that the coverage would be the same as in the past. They would like to attend the township meetings quarterly to keep the township updated on activities. Ambulance to be stationed at Trout Run with paid EMTs from 6 Am to 6 PM, M-F and volunteers the rest of the time, eventually going paid full time. Joe questioned the fire tax money already being sent to the fire companies – this is for the fire service so would continue as is. Cost was a concern so was suggested maybe going with Cascade Twp and split the initial cost. Joe will contact Cascade and set up a meeting with them and the fire company. Eldred and Plunketts Ck fire companies are not part of the group, they are considering going with Montoursville.
