Several items of correspondence was presented, including notice of Liquid Fuels allocation for 2024.

Zoning: 1 permit was issued.

EMA: Nothing

Roadmaster: 1. Mowing done for season. 2. Sign post pounder – see about an attachment for on the skid steer. 3. Paving – on going, working on Butternut Grove. Rest is done, there was quite a lot of shoulder washout on Winner Lane, will have to put in deeper ditches. 4. Tar & chip – complete. 5. Ran broom on Winner Lane, will need to check other roads. 6. EQT – Pat Powers called, GOH to put overlay on Murray Run Rd from Rose Valley to Pad. 7. Inflection has bids out for Chaapel Mt and Caleb Creek roads.

On-Going: 1. EMS agreement – changes to letter were noted. Secretary to send to fire companies.

New: Nothing

Public Comment: 1. Ed West – clean ditches on Butternut Grove, should have been done before paving; 2. Dave Albert – Winner Lane is too narrow, shoulder back-up is too soft, was told it needs to set up more, rain came too soon after it was done. Roadway is 13 ft, same as before. 3. Don Black, West Mill Ck Hunting Club – having trees cut and will be doing more in Dec. Road washout is real bad, Township will look at this. No winter maintenance done on this road. Trash issue is pretty good. Township plans to look into Dirt/Gravel project in 2024. 4. Jack Hipple – could the millings from parking lot be put on Mill CK? This is not good stuff and wouldn't be good enough for that. Twp parking lot was paved, water now runs onto his property and ditch was cut across it. Justin to look at this and correct. Would like field graded and taken care of, next to twp lot.

Payment of bills: Dave made a motion, seconded by Steve, to pay the bills.

Meeting adjourned at 8:20 PM.
