October 9, 2023**

The meeting was called to order at 7:30 PM with 3 members present, with the reciting of the Pledge of Allegiance. Members present were: Steve Brady, Dave Bailey, Joe Reighard

Steve made a motion, seconded by Dave, to approve the September minutes and treasurer's report, as presented. Motion carried.

Guests: Jeff Hutchins, Montoursville Fire Dept; Matt Henderson, PGI

Several items of correspondence was presented.

Zoning: Quarterly report from County

Planning: Erika Bohlin consolidation plan for 2 lots into 1.

EMA: Nothing

Roadmaster: 1. Paving done, will work on fixing Winner Lane. 2. Mill Creek, plans to work on this week. 3. Clear ditches on Butternut Grove Rd

On-Going: 1. EMS agreement – received from Montoursville Fire Co. Board will set up a meeting with Fire Company to discuss. Chief Hutchins was present and agreed to meeting with Board.

New: Budget – Board reviewed current budget. Looks good at this point in the year. Secretary will send current finances to Joe, so work can begin on 2024 budget for November meeting.

Public Comment: 1. Ed West – street signs, Justin to order ones for Butternut Grove Road and Logue Hill Road. Ditches on Butternut Grove are too deep. Justin noted that the ditches need to be cleared. PGE is planning work on roadway in a couple of years and will be considerably different. Was told there is no room for 'No Parking Signs' along the road. 2. Bob Keefer wanted to know if twp could pave in front of row of mailboxes, as it gets very muddy, especially during the winter. This is not on township property and therefore up to the residents to do something. 2. Mark Baylor – Wilson Hill Rd, has 'No Winter Maintenance'; road is not really passable. Winner Lane – modified washed away, Justin stated this is to be fixed soon. Pavement at twp shed—not very good. Justin noted that there was a soft spot and was fixed. 3. Don Black – wanted to know if resident can plow township roadway, near their hunting camp? Was told okay. Had talked to Joe Hamm and there is money available thru the Dirt & Gravel Program to be used for road maintenance. Board has used this in the past and will be applying next year.

Payment of bills: Dave made a motion, seconded by Steve, to pay the bills.

Meeting adjourned at 8:15 PM.
